

HAVOC WROUGHT BY THE FLOODS

Heavy Loss of Life and Great Destruction of Property in Germany.

Berlin, Feb. 6.—Many cases of loss of life continue to be reported from various parts of Germany as a result of the floods. The waters of the smaller streams are now subsiding, but the larger rivers like the Elbe, the Main, the Rhine and the Oder still are rising. The lower sections of Frankfurt-on-the-Main are flooded. A terrific hurricane raged in the Rhine valley last night and demolished the Wiesbaden machinery hall and other buildings in course of erection for an exhibition this summer. The heavy rains along the Rhine valley, however, ceased early this morning and today the confining of the Rhine are falling and the immense havoc wrought in many towns is becoming visible. The dike construction yesterday decided to take measures to strengthen the Rhine dikes. The Danube still is rising at Regensburg. Several villages are threatened with partial destruction.

Masses of Ice Carried Down.

The Elbe is carrying down great masses of ice which have partly destroyed. A scaffolding of the new bridge being erected at Dresden. The Mulde, a tributary of the Elbe, has flooded the country around Dessau. The forested areas have been drowned. The Oder is rising rapidly and many barges frozen into the ice some weeks ago are threatened with destruction. At Dusseldorf the Rhine has risen eleven feet since yesterday. Suggestive Questions on the Sunday School Lesson by Rev. Dr. Linscott

Copyright, 1908, by Rev. T. S. Linscott, D. D.

True and False Brotherhood.—Acts iv:32 to v:11.

Golden Text.—Lying lips are an abomination unto the Lord; but they that deal truly are his delight. Prov. xlii:22.

Verses 22.—Are all who are one with God always one with each other, that is, "of one heart and one soul?"

Should a Christian consider that what he possesses is his own?

Would it be either wise or desirable that Christians should in this way have all things in common?

Was it God's plan for them to have all things in common in that day, or did they allow their love to run away with their judgment?

Verses 33.—What is the secret for witnessing for Christ with great power?

Verses 34-35.—Speaking from experience and observation, how many honest, industrious, God-fearing men are there that "lack" any necessary thing in this life?

Is a church under obligation to provide for the necessities of the poor in its jurisdiction?

Whatever may have been the case in that day, would it be wisdom or folly in this day for the members of the church to sell their possessions and hand over the money to the church?

Can a person be a Christian who does not hold his property subject to the orders of God for his disposal?

Will a Christian be as glad to give his money at the command of God as to receive money from God?

Is faithfulness to God a sure cure for shortness of money?

From this account do you think that they sold literally all their possessions or only their real estate?

Verses 36-37.—If Barnabas had sold one-half of his real estate and brought the proceeds of it, or had sold it all

ANOTHER POINTED TALK ON CATARRH

Last Week Drs. Shores Pointed Out the Advisability of Laws Preventing Diseased People Exposing Innocent Victims to Catarrh and Consumption—And scores of People Endorse all Drs. Shores Said. Now We Want to Talk About the Treatment That Really Cures Catarrh.

Every one is familiar with the National Curse, Catarrh—for if they have not got it themselves they know many who have—and know from the nasty, stinging, disgusting, irritating coughing of the Catarrh sufferer, that something ought to be done towards relieving the trouble.

You Fail to Cure Yourself, Nature Fails to Cure You. Other Doctors Fail to Cure You. Patent Medicines Fail to Cure You. Then Why Don't You Try the Treatment That Really Does Cure and Cures by the Hundreds.

For 17 years Drs. Shores Treatment Has Stood the Test.

Hundreds of people have testified that Drs. Shores' treatment has cured them not only of catarrh of the head, but of the throat, bronchial tubes, stomach, liver, kidneys, bowels, asthma, diabetes, etc., and what Drs. Shores have done for these people they can do for you. READ THAT AGAIN—make up your mind that rain or shine, business or no business, you will attend to your case today. It costs you nothing to talk with Drs. Shores—and if you are incurable Drs. Shores will tell you so—but DON'T BELIEVE YOU ARE INCURABLE UNTIL DR. SHORES HAVE PASSED ON THE CASE. CALL TODAY IF YOU CAN—IF NOT, CALL TOMORROW—ANY DAY THIS WEEK—CONSULTATION AND ADVICE IS FREE TO ALL.

ANNEXATION OF KOREA

Probable Outcome of Japanese Occupation—Excuses Being Made for Contemplated Action.

Seoul, Feb. 6.—The emperor of Korea paid a visit to the Japanese residence today and had luncheon with Prince Ito, the resident-general of Japan. His majesty thanked Prince Ito for great services to Korea and particularly during their recent tour through the country. Later in the day Prince Ito returned the emperor's Japanese warship next Wednesday. The report is prevalent that he will not return but will be succeeded by Viscount Terada, at present minister of war. In response to an inquiry today Prince Ito said: "The question of my return to Korea depends entirely on the decision of my august master, the emperor of Japan." The failure of Prince Ito's return would be a matter of deep regret to Koreans and foreigners alike, with whom he is extremely popular. His recent speeches, however, have indicated that unless there is an early cessation of sporadic rioting and disorders, the largest number of troops of a few Koreans, who he asserted, are hindering the progress of the vast majority of the peaceful and law-abiding Koreans, would be taken by Japan. This is taken to indicate the probability of the annexation of Korea to Japan, and Prince Ito's discouragement because of the present impossibility of securing the independence of Korea by means of friendly guidance and protection.

Newbro's Herpicide

The Original Remedy that "Kills the Dandruff Germ" Makes hair soft and fluffy. Stops itching scalp.

DON'T BLAME YOUR MIRROR

Many ladies compel their mirrors to bear silent witness to needless hair destruction. Day after day they see beauty and attractiveness despoiled by the removal of great combfuls of slightly diseased hair that could be saved. If your mirror could talk it would plead with you to "save your hair—not the combings." It can be done with Newbro's Herpicide, which kills the microbe that causes dull, brittle and lusterless hair, also dandruff and falling hair. Destroy the germ and the hair's natural luster and abundance will return. Almost extraordinary results. An exquisite hair dressing.

Send 10 cents in stamps to THE HERPICIDE COMPANY, Dept. 5, Detroit, Mich., for sample and booklet.

Two Sizes—50 cents and \$1.00. At Drug Stores. When you call for HERPICIDE, ask for a substitute. Applications at prominent barber shops.
